Location: Padukka, Sri Lanka

Objective

As a motivated Software Engineering student at SLTC Research University, I am passionate about exploring various ICT fields such as software development, data science, and cybersecurity. With hands-on experience in programming, problem-solving, and team collaboration, I am eager to apply my skills in real-world projects and contribute meaningfully to technology-driven solutions.

Education

- BSc. (Hons) in Software Engineering, SLTC Research University, Sri Lanka
Expected Graduation: 2028
- A-Levels, R. Kalawana National School
Subjects: Mathematics Stream | Results: B, C, and S
- O-Levels, R. Kalawana National School
Results: 9 A's

Technical Skills

- Programming Languages: Python, Java, C
- Tools & Technologies: SQL, Git, HTML/CSS, JavaScript
- Software: Microsoft Office, Eclipse, Visual Studio
- Other: Data Analysis, Software Development, Cybersecurity Basics

Work Experience

Leo Club - DreamIgnite Project - 2024

- Taught children English and ICT in schools, helping them build essential skills and knowledge.
- Enhanced communication and teaching abilities while contributing to the community.

Coordination Team Member, IEEE SLTC - Decode Xtreme - 2024

- Assisted with event planning, logistics, and team collaboration for Decode Xtreme.
- Ensured smooth execution of the event and gained experience in project coordination.

Key Strengths

- Analytical Thinking: Able to assess problems logically and come up with effective solutions.
- Effective Communication: Skilled in conveying complex ideas in a clear and concise manner.
- Adaptability: Quick to learn and adjust to new technologies and methodologies.
- Team Collaboration: Strong team player with experience working in group settings to achieve common goals.

Extracurricular Activities

- Member, Leo Club: Contributed to community service projects and social initiatives.
- Member, IEEE SLTC: Participated in various technical and non-technical events and activities.

Languages

- English: Fluent (Written and Spoken)
- Sinhala: Native
